Grundbausteine und neuere Tendenzen der

Organisationsentwicklung. In all cases, care was taken to respect the vocabulary and phrasing used in the original texts. There are some who would not trick in trade for all the world if they thought they would be discovered, but they can do it while God is with them; that is, they think more of the eye of man than of the eye of God; and they think it worse to be condemned by man than to be condemned by God.
