The Arcana

Reflecting on his discoveries in the TARDIS, the Doctor, along with the aid of K9 who had been transported into a hidden area of the TARDIS and trapped there following Gallifrey's destruction realised that his memory loss hadn't been caused by the trauma of destroying Gallifrey; in fact, the Doctor had wiped his memories to give his mind space to store the

contents of the Matrix within his brain, compressed down so he wouldn't be driven mad by the voices of all the dead Time Lords within him, his own memories presumably stored somewhere else in his mind, given his occasional flashes from his past.
