You can check it in the original German version that I paste. Students of the physical and life sciences, computer science, math, and medicine who are thinking about entering a PhD program; doctoral students at the beginning of their research; and any graduate student who is feeling frustrated and stuck.

Persons – What Philosophers Say about You: 2nd edition

The staffing agency can use alliances with institutions such as private correctional facilities to control its peripheral workers. The general validity of these principles is not undermined by the fact that they are embodied in widely different situations; in fact this constitutes the foundation of their truth.
